BSCNZ CLEANSWEEP™ AWARDS – 19 MAY 2016

HOW WELL WILL YOU MATCH UP?

All will be revealed on the 19th of May at the 2016 BSCNZ CleanSweep™ Awards when the full time whistle goes. Judging is well under way and there is certainly some stiff competition.

The Honourable
Michael Woodhouse,
Minister for Workplace
Relations and Safety, will be
attending to officially open

the awards ceremony and get the event underway. Our guest hosts for the evening are great sports too and they'll certainly match up well on the big night. We are excited to announce that New Zealand netball legend Irene van Dyk and renown sports presenter Hamish McKay will be teaming up to present the Awards to you, taking this year's event

to a whole new level. This is sure to be a fun game of two halves with other surprises also in store to add to a great night of entertainment.

So with even more great reasons to make sure you don't miss out, get your tickets, book your seat or table of 10 and celebrate with your own teams from across the country.

We wish everyone the best of luck!

STAPLES IS YOUR TRUSTED FACILITIES SOLUTION PARTNER

Maintaining a clean and hygienic environment is important for all workplaces and businesses are seeking more than cost savings with cleaning services. They want a Total Cost Management solution that incorporates product management tools, reporting, performance tracking and cost effective, sustainable products that are easy to order and have delivered.

When it comes to partnering, Staples™ is a leading partner who is committed to delivering tailored products and services that help you:

- Make more money
- Save more money
- Reduce risk.

Through trusted relationships with both our suppliers and customers, we work with our suppliers to achieve competitive pricing on a wide range of business categories. Our aim is to help businesses reduce costs and realise savings through supplier consolidation, product rationalisation and compliance management.

As a major supplier in the New Zealand BSC industry, Staples are pleased to be participating in

the 2016 Clean NZ Expo and encourage business owners to visit Stand 140. We invite you to view a variety of commercial cleaning products and discuss your business needs with a Facilities Specialist.

Alternatively, visit our [Facility Solutions](#) page to learn how we create programs to serve all types of facilities and sectors with cost-effective products from leading commercial brands.
