BSCNZ CLEANSWEEP™ AWARDS – 19 MAY 2016

CLEANSWEEP™ AWARDS ACKNOWLEDGES COMMITMENT TO BEST PRACTICE

Judging will be complete at the end of April and it's now less than a month away until we bring the industry together and announce the winners of the 2016 BSCNZ CleanSweep™ Awards, in association with Staples.

With the new Health and Safety at work act (HSWA) an important topic for all business owners, it is only

fitting that the Minister for Workplace Relations and Safety, officially opens our industry's Oscars. The cleaning industry is taking care of all of those who are going about their line of work. We put the "Health" in Health and Safety at Work. We therefore very much look forward to welcoming the Honourable Michael Woodhouse to the stage to officially open this key industry event.

This is a perfect opportunity to celebrate with clients too and showcase your business and the great work you do. Who will you bring along? Tickets are selling well, so if you don't have your tickets yet

we suggest you get online and reserve your seats or table. It is also a good time to announce that there will be a separate cash bar operating on the night for those that would like to purchase other options besides the standard beer and wine on offer during the 4 hour dinner and beverage package. EFTPOS will also be available. The 3 course dinner menu is created by the team at The Kitchen c/o Sky City and they have a passion for innovative food and spectacular service.

Once again we wish you all good luck!

STAPLES SUPPORTS WORLD DAY FOR SAFETY AND HEALTH AT WORK

This month mark's World Day for Safety and Health at Work - a global initiative that promotes the prevention of occupational accidents and diseases globally. Held annually on the 28th of April, the

campaign is seen as a day to raise international awareness on occupational safety and health amongst workplaces.

WORLD DAY FOR SAFETY AND HEALTH AT WORK
28 APRIL 2016

Founded by the International Labour Organisation (ILO) in 2003, the global campaign encourages organisations to raise awareness about the importance of creating a safe and healthy culture and reduce the number of injuries in the workplace. This year's theme is "Workplace Stress: a collective challenge" which aims to draw attention to global trends on work-related stress and its impact.

At Staples', we recognise the importance of achieving these measures in the workplace and adhere to a range of safety and health standards across our offices to ensure our employees are safe and hygienic in the workplace. This includes educating employees to;

- Be mindful of clutter and electrical cord that could cause trips and collisions
- Put up a wet floor sign immediately if there is a spill that requires clearing
- Maintain cleanliness of workstations and hygiene across amenities
- Ensure bins are located away from heat and fire exits remain clear.

When it comes to our commercial cleaning services, we support safe and hygienic workplaces by providing complimentary wet-area audits and placement of sanitiser dispensers across our customer's workplace amenities.

To support commercial cleaning businesses, we provide a wide range of [Facility Solutions](#) to assist you to serve all types of facilities and sectors with cost-effective products from leading commercial brands.

Business owners are encouraged to visit Stand 140 at 2016 Clean NZ Expo next month to view our product range and discuss your business requirements with a Facilities Specialist.
