

## BSCNZ Car Racing Tournament

Tuesday 17th September, 3:30 - 6:00pm

Usually reserved for the professional, experience the thrill of driving, watching or sponsoring a V8 race car at Taupo Motorsport Park! The drivers will get into prepared V8's and feel the thrill and excitement of taking to a race track.

The experience starts by drivers heading into a DVD briefing which runs through the theory of driving on a race track along with the safety aspects of the event. Once the briefing is done, the driver is totally kitted out, then it's off to the pit lane where the fun begins!

The drivers will be strapped into one of the V8's and experience the stunning performance of these cars, the professional instructor will be by their side to maximise their driving experience.

Our MC for the event Russell Harrison will announce sponsors, names of drivers and updates on who is set to win! Drinks and nibbles will be available for event attendees. All sponsors/supporters of the event will have their logos published in the conference programme and logo present at the event.

**10 driving spots are available at \$1,250 per driver. (+GST)**
