

WFBSC Global Executive Summit

Speakers and Contributors – 12th / 13th March 2025

The premier event for the world's leading Facility Services Contractors.

Master of Ceremonies: Kerri Woodham

Kerre Woodham, who regularly interviews our Prime Minister, will be the Master of Ceremonies. With a wealth of experience in broadcasting, writing, and public speaking, Kerre has become a household name in New Zealand. She is known for her work on NewsTalk ZB, Fair Go, Heartland, and Intrepid Journeys. Currently, she hosts the afternoon show on NewsTalk ZB and writes a weekly column for the Herald on Sunday.

Kerre's journey is filled with inspiring stories and valuable insights. She has authored several books, including "Short Fat Chick in Paris" and "Short Fat Chick to Marathon Runner," which chronicle her personal adventures and challenges. Her candid and humorous approach to life's ups and downs makes her a relatable and motivational speaker.

As our MC, Kerre will bring her unique perspective and vibrant energy to the event, ensuring an engaging and memorable experience for all attendees. Don't miss the chance to be inspired by one of New Zealand's most beloved media personalities!

Panellist: Scott Salmirs - *Chief Executive Officer, ABM Industries Inc.*

Scott Salmirs is President and Chief Executive Officer at ABM, one of the world's largest facility services and solutions providers.

A values-guided leader, Scott has served as CEO since 2015, leading multiple enterprise-wide transformations to drive long-term growth and elevate the experience and value ABM delivers to stakeholders, while developing ABM's inclusive, people-centered culture. Under Scott's leadership, ABM has grown revenue from \$4.9B to \$8.1B, and more than doubled adjusted EBITDA while increasing margins by more than 60 percent.

For more than a decade prior, he served in executive management roles with increasing responsibilities that included strategic oversight of ABM's rapidly growing international and aviation business, as well as regional leader for the U.S. Northeast where he tripled revenues and increased the client retention rate to 96 percent. Prior to ABM, Scott held leadership positions at Goldman Sachs, Lehman Brothers and CBRE, where he managed each company's extensive owned, managed and leased real estate portfolios.

With his commitment to giving back to the services industry and his community, Scott serves on several committees and philanthropic boards, including the Cleaning Coalition of America and the State University of New York College at Oneonta's Business Advisory Council. In addition to serving on ABM's Board of Directors, Scott serves on the Board of ICF International, Inc., a leading global consulting and digital services provider. He also is on the Board of the Outreach Project, an organization dedicated to rehabilitating young adults with substance abuse problems, is a founding board member of Donate Eight, a non-profit organization committed to increasing organ donation awareness and is on the Board of the Partnership for NYC. Scott has also been recognized as one of the Empower Top 10 Advocates creating a more diverse and inclusive business environment.

Scott received his bachelor's degree in in business economics from the State University of New York College at Oneonta, and an MBA in finance from the State University of New York at Binghamton.

Speaker: Harold Hillman - *Coaching business leaders and executive teams to be more purposeful about leadership w/ Exec Leadership | Change Management*

Hillman earned his Ed.M. from Harvard University and a Ph.D. in clinical psychology from the University of Pittsburgh (USA). With a strong belief that the best leaders are also the most skilled learners, Hillman coaches' business leaders and executive teams to explore what is required to drive deeper levels of engagement.

Over the past two decades, as both a senior executive and external coach, Hillman has coached CEOs, executive teams and leaders in New Zealand, Australia, Singapore, Samoa, Fiji, New Caledonia and the USA.

Speaker: Minas Liarokapis - *Co-Founder / CTO, Acumino | Director, New Dexterity research group | Associate Professor, The University of Auckland*

Renowned Dr. Minas Liarokapis, a leading expert in robotics and bionics. As the Co-Founder and CTO of Acumino, an Associate Professor at the University of Auckland, and the Director of the New Dexterity research group, Dr. Liarokapis is at the forefront of groundbreaking advancements in robotic dexterity and human augmentation.

Dr. Liarokapis's work focuses on equipping robots with dexterous manipulation capabilities and developing assistive devices that enhance human performance. His innovative research has earned him numerous awards and accolades, including the prestigious IEEE Best Paper Award and the Hackaday Prize.

Attendees will gain invaluable insights into the future of robotics, human-robot interaction, and the transformative potential of bionic technologies. Whether you're a professional in the field, a student, or simply passionate about cutting-edge technology.
