

INNOVATION AWARD

The CleanNZ™ Innovation Awards are designed specifically for suppliers to the cleaning and facilities industry, recognising products and services that demonstrate innovation, performance, and impact.

IMPORTANT ENTRY INFORMATION

The information provided will be used for communication and promotional purposes, including (but not limited to): BSCNZ Innovation Zone materials, trophies and winner announcements, websites, and promotional media articles.

Please ensure all information is correct at the time of submission, as no changes can be made once your entry has been submitted. By submitting this entry, you acknowledge and agree to the following:

- Entries close COB 20 th June 2026.
- Each product requires a separate application.
- Products or services must have been released to the New Zealand market within the past 12 months.
- All entries must be commercially available in New Zealand and comply with relevant Australasian standards and safety requirements.
- Entrants must be available to respond to followup questions via email, phone, or video call if required. Be present with product at the CleanNZ™ expo at an appointed time for judge visits.
- Entrants are invited to display their product in the Innovation Zone at the CleanNZ™ 2026 Expo (space and size limitations may apply).
- Winners will be announced at the CleanSweep™ awards night on the 16 th of July 2026.
- Judges' decisions are final, and no post-event negotiations will be entered into.

For enquiries, please contact the BSCNZ team on 0800 253 264 or email janine.fillet@bsc.org.nz.

ENTRY DETAILS

Where possible, please provide supporting evidence. *(Responses may be used for promotional purposes.)*

Product/Service name:

1. Why are you entering this product or service? *(Maximum 200 words)*

2. Describe your product or service, how it works, and what it is designed to achieve. *(Maximum 300 words)*

3. What is unique or innovative about this product or service? How does it introduce new functionality or improve on existing solutions?
(Maximum 300 words)

4. Provide an example of how this product or service has solved a facility-related challenge, including measurable outcomes or achievements. *(Maximum 300 words)*

5. Does your product or service deliver improved environmental or sustainability outcomes? *(Maximum 300 words)*

6. Outline any training or support functions integrated to maximise the impact of your product or service. *(Maximum 300 words)*

INNOVATION ZONE DISPLAY

For best outcomes your product should be physically displayed in the Innovation Zone at the CleanNZ™ Expo. Is this possible?

Yes – please provide product dimensions (cm):

No – why?

SUBMISSION PROCESS

Entries are assessed in two stages:

1. Written submission provided in advance of CleanNZ™, and
2. In-person engagement at the Expo, where entrants may meet with judges to explain how the product works and, where applicable, provide demonstrations.

This approach ensures a fair, robust assessment while allowing judges to fully understand product innovation and real-world application.

FILES & MEDIA

You can include files and links for promotion when you email this form to janine.fillet@bsc.org.nz

- Company logo for promotion
- Two (2) supporting images or information flyers
- Links to product or company videos

DECLARATION

I confirm the information provided is accurate and correct

I consent to the use of submitted information and images for promotional purposes by the BSCNZ.
